2. Design and Complete an infographic that shows:

- a. The plotline through the whole series (this might be one continuous plot line or several different ones)
- b. How one character changes through the entire series (you can also do multiple characters)
- c. Showing your opinion on which individual book in the series you liked the most, which book you liked the least in the series with a paragraph that explains your thinking.

Design and Complete an infographic (cont'd from front)

**We recommend using a template program called:

PIKTOCHART to complete this part of the project. Students will need a personal or parent email address to create an account.

You can choose to share the final project digitally or to print out a final copy. (A student can absolutely use another infographic template as well as the create one using a WORD document.)

3. Complete 12 hours of IXL Math Select grade level appropriate activities. Please use one half of the time on multiplication and division practice. The time and content you practice will be reported to me automatically by IXL.

Return this form to me at our Back-to-School event in August. If you successfully complete the challenge you will receive a VALUABLE PRIZE!
